

Legendary Love. Lesson 34. I am Devoted to My Partner. Additional Resources - 1

I am devoted to my partner.

The relationship that has the most impact on my life is my connection with my life partner. I am blessed to have my spouse and I enjoy those blessings each day.

My top priority is sharing my love for my partner. They bring sunshine to each day and support for every rocky situation I traverse. I lean on them and they know they can lean on me.

Loving someone means that I make room for them in my day. I pay attention to their needs and turn to them in times of happiness, strife, and discovery. **My partner is there for me and I appreciate it.** In turn, I demonstrate my deep feelings for them each day.

My devotion to my partner is strong. They know I will do anything for them and they will reach to the ends of the earth for me. This day is complete because I have these moments to devote to my loving partner.

I show my dedication for our relationship, home, and life together.

Today, I can enjoy the love of a wonderful partner and return that love. My devotion for my partner overflows. **I love them wholly and completely.** My life is fulfilling because I lovingly and unselfishly share my life with an incredible partner.
